Opis produktu

The Lumineth Realm-lords epitomise wisdom and martial excellence. Only through their arcane mastery, the devotion of their warrior-monks, and the discipline of their armies can the realms be saved from ruin. The aelves of Hysh have always shone brightly, but their hubris was almost their undoing. After a devastating civil war, they learned to put aside their pride, swearing to protect the lands they once abused. Geomantic spirits now wage war alongside the aelves as potent elemental avatars. The Lumineth vow to purge the realms of darkness and bring them to harmony. None will stand in their way, for survival is worth any price.

Order Battletome: Lumineth Realm-lords is a venerable tome for collectors and gamers who want to cleanse the Mortal Realms. This essential book is filled with inspiring artwork, fascinating background material about the aelves of Hysh, stunning photography, and the rules you'll need to muster your forces. You'll find warscrolls, Regiments and Armies of Renown, Path to Glory and Anvil of Apotheosis rules, plus a self-contained Spearhead section to help you play tight, tactical games with your collection. This book will guide you through growing your forces, no matter how you like to collect, paint, and play with your Lumineth Realm-lords.

This 98-page hardback book contains:

- Background, art, and fiction illuminating the aelves of Hysh
- A description of their many diverse units, along with detailed photography and artwork

- Faction rules including battle traits, battle formations, heroic traits, artefacts of power, Manifestations, and Spells
- 29 warscrolls, covering every unit
- A Spearhead guide, including gameplay and hobby advice, along with its own set of warscrolls and army abilities for the Hurakan Vanguard
- Narrative Path to Glory rules, including the Anvil of Apotheosis, allowing you to create your own hero
- Rules for two thematic Armies of Renown and two Regiments of Renown that can be added to other Order armies
- A handy reference section with army abilities, magic, and battle traits
- An 8-page gatefold section, featuring a map of Ymetrica and Zaitrec, as well as detailing the Scions of Tyrion and the Disciples of Teclis

This book also contains a one-use code to unlock *Order Battletome: Lumineth Realm-lords* content in Warhammer Age of Sigmar: The App.
