- Scale: 38mm, Miniature Height: 8cm

In Game Role

- Battlefield Role: Restricted Brute Unit
- Class: Heavy
- Type: Brute

Lore

Forgoing any attempt to create a viable organism that could meet their expectations the Directorate instead cultured individual organs to their specifications and assembled them over a reinforced skeleton. Sacrificing almost all attempts at elegance in return for function, the Incarnates are the most successful efforts of the Directorate at overcoming the limits of flesh.
