Opis produktu

The Orruk Warclans love to fight – in fact, it's no lie to say that their entire culture revolves around conflict. The swamp-dwelling Kruleboyz are an unusual breed of orruk, for they prize deviousness over brute strength. To the Kruleboyz, winning by underhanded means is worth more than claiming victory in a straight fight – and they're very underhanded indeed...

If you want to inflict sneaky tricks and blood-curdling violence on the Mortal Realms, this box makes an ideal start to an Orruk Warclans army – or an excellent way to expand your Kruleboyz collection – and will save you money compared to buying the kits individually. The box includes a Killaboss on a Great Gnashtooth to lead from the back, with a roster of vicious Gutrippaz and Boltboyz, plus a poison-spewing Belcha-banna and a powerful Killbow. It's a full army in one box, ready to stalk from the swamps in games of Warhammer Age of Sigmar.

This set includes the following multipart plastic models:

- 1x Killaboss on Great Gnashtooth
- 1x Murknob with Belcha-banna
- 1x Beast-skewer Killbow
- 3x Man-skewer Boltboyz
- 10x Gutrippaz

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
