Opis produktu

First Marshal Tahlia Vedra, named the Lioness of the Parch by her loyal soldiers, is the foremost tactical mind of Hammerhal Aqsha, and an inspiration to Dawnbringer Crusades across the Mortal Realms. Once a skilled mercenary warrior, Tahlia rose up the ranks of the Freeguild through quick thinking, passion, and bloody victories – she now leads Twin-tailed City's quest to reclaim Aqshy's hearthlands from the grip of Chaos.

This multipart plastic kit builds Tahlia Vedra, the Lioness of the Parch, mounted atop her roaring manticore Infernadine – a leonine beast with a scorpion's tail and powerful wings. Tahlia herself can be assembled wearing a full-face helmet or her crown of office, and carries one of four distinct weapons, taken as trophies from slain traitors – the sword Parchtongue, the mace known as Warmaker, the axe called Justice, or the Hammer of Zeal. The mummified heads of their former owners are set into her throne, in brutal Aqshian tradition.

The First Marshal is a true force to be reckoned with – she's an impressive centrepiece for any collection, and will stand out as a mighty warmaster in even the largest Cities of Sigmar army.

This kit comprises 59 plastic components, and comes with a Citadel 100mm Round Base.

This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
